A. Introduction

This policy has been developed to support our Meeting being a place of safety and security for the children and adults who participate in our community. The policy is intended to serve as a source of guidance and build trust for all Friends Meeting of Washington (FMW) participants. Following this policy is important for all members, attenders, visitors and employees of FMW because it provides guidance and support in preventing and identifying possible instances of child abuse or neglect and promotes child safety. The policy is also seeks to minimize the possibility of baseless charges or unwarranted suspicion of child abuse or neglect being directed towards a member, attender, visitor or employee of FMW. Lastly, this policy seeks to balance FMW’s spiritual needs, child safety concerns, legal requirements and financial and practical limitations.

This policy sets forth the roles, expectations and requirements relating to child safety at FMW. For a more general discussion on children safety, see the “Baltimore Yearly Meeting Youth Safety Policy Updated June 15, 2013 at Interim Meeting”, which is endorsed by the FMW Child Safety Committee (CSC). The requirements in this FMW policy take precedence over the BYM Youth Safety Policy with respect to FMW Children’s Activities.

Because the CSC anticipates that most FMW Children’s Activities will take place on FMW property in Washington, DC, this policy has been written to comply with the District of Columbia (DC) Code. CSC recognizes that if an activity occurs outside of the District of Columbia additional laws may apply that may take precedence over parts of this policy.

To summarize the key aspects of this policy:

- No child may be left alone or with only one adult other than their parent, guardian or custodian during an FMW Children’s Activity or while on FMW property.
- Every FMW Children’s Activity must have a minimum of: (a) two (2) or more children; and (b) two (2) or more adults who have been approved by the CSC to work with children (Adult Childcare Givers).
- All FMW classrooms, childcare rooms and activity areas shall have an open door policy. Doors to these spaces shall always be open when in use and parents, guardians, custodians, CSC members and sponsoring Committee members are welcome to visit at any time.
- Childcare givers may release a child only to their parent, guardian or custodian. Childcare givers may not release the child to an unknown adult, older sibling or allow the child leave on his/her own.
• If a child is present but not participating in an FMW Children’s Activity, then the child is under the care of their parent, guardian or custodian.

• Any questions or concerns about this policy should be sent to the Clerk(s) of CSC.
B. Who is affected by this policy?

- Everyone who participates in FMW activities, but especially those involved in FMW Children’s Activities.
- FMW Activity Coordinators (those coordinating activities aimed at children or that have a significant participation by children e.g. weekend retreats at Catoctin).
- Adults serving as First Day School (FDS) teachers and assistant teachers.
- Adults providing care of nursery aged children.
- Paid FMW employees who work with children.
- Children 14-17 years of age who are involved with caring for nursery-aged children.
- Adult volunteers who supervise FMW sponsored overnight events that involve children.
- Adults driving or chaperoning children (other than their own) in vehicles or by other means to or from FMW-sponsored activities at the request of an FMW Activity Coordinator.
- Adults who provide one-on-one counseling or mentoring to children.

C. Who is responsible for administering this policy?

The CSC or others who are approved by FMW Meeting for Worship with a Concern for Business are responsible for administering this policy. Other FMW Committees shall consult with the CSC on topics that involve or affect children, children activities or that relate to abuse, neglect or safety issues affecting children.

D. Confidentiality

All information, verbal, electronic, or paper collected in connection with implementing this policy will be kept in the strictest confidence, to the extent allowed by law.

All documents generated in conjunction with the process by which an individual may apply to work with children at FMW shall be kept in the Meeting House locked vault or other secure storage location. None of these records may be distributed to any person or entity other than a member of CSC, the FMW Administrative Secretary, a Trustee or an individual to whom disclosure is required by law. Any applicant to work with children, whether approved or not approved, has the right to review his/her application file and any associated documents in the presence of a member of the CSC and the Administrative Secretary and has the right to submit written refutation or comments of any
material they deem to be inaccurate or misleading (Youths must be in the
compartment of his/her parent/guardian/custodian). No copy of the document(s)
will be provided in any fashion or form to an applicant at any time. Records will
be retained according to FMW recordkeeping policies for personnel issues as
stipulated in the FMW Handbook.

E. Process and Application to Work with Children

1. All individuals who plan to work with children and/or accompany
children other than their own to an FMW Children’s Activity must
complete and sign a written Application Form (see Appendix B) and be
approved by CSC to become an Adult Childcare Giver (ACG) or Youth
Childcare Giver (YCG).

2. The application includes but is not limited to: a National Criminal
Background check (Youths are exempted), verification of employment,
and references. These checks may be repeated at any time without further
notice to the applicant as long the person remains an ACG or YCG.

3. Applicants shall identify a sponsoring FMW Committee for the applicable
FMW Children’s Activity. This is normally the Committee that the
applicant anticipates assisting with the FMW Children’s Activity at the
time of their application. Once the applicant has been approved by the
CSC to work with children, the now-ACG/YCG may assist in an FMW
Children’s Activity sponsored by any FMW Committee.

4. A YCG must have completed an American Red Cross babysitting course
not more than (1) year before the date of the application to work with
children at FMW.

5. Individuals who have been convicted/adjudicated with criminal charges
that fall within the following categories will not be allowed to participate
in FMW Children’s Activities:

   a. Any type of aggressive incident against another individual;

   b. Any type of stalking or threatening incident against another
      individual;

   c. Any misuse of weapons;

   d. Any crimes involving behavior toward children, including
      pornography and child abuse or neglect; or

   e. Any crimes related to production or distribution of drugs within
      the past ten (10) years.

6. These requirements are similar to “BYM Criminal Background Checks
Guidelines” and are consistent with applicable DC law (See DC St. 4 §
1501.05(a) (set out in Appendix G).
7. All volunteers who want to work with children must be known to the Meeting as a member or attender for a minimum of six (6) months prior to assuming their duties (consistent with the verification method described in Appendix B).

8. All individuals who work with children shall attend an annual training session organized by CSC that reviews this policy and its implementation. Other adults are welcome to attend these sessions. Training sessions will cover prevention, discovery and reporting of child abuse/neglect incidents. ACGs/YCGs that require training in between annual training sessions may be trained with videos or other instructional methods as approved by CSC.

9. Each FMW Committee sponsoring an FMW Children’s Activity is free to decide if a specific ACG or YCG is unsuitable for the particular activity, regardless of whether CSC has previously approved the individual to work with children. An FMW committee rejecting a specific ACG or YCG for a particular activity shall inform the person and CSC of their decision and reason, which may be added to the person’s file.

10. Should a concern arise about the suitability of an applicant, the CSC will first seek to reach unity on the matter. If CSC fails to reach unity that they reject the applicant or have questions about the applicant’s suitability, the CSC will then take one of two following courses of action. First, if the concern arises from disturbing information or a lack of information revealed during the screening process, a meeting will be held with the applicant. The meeting shall include the members of the CSC and the Clerk of the sponsoring FMW Committee with which the applicant seeks to assist with FMW Children’s Activities. This assessment group will review with the applicant the concerns that have been identified. Following this review, the assessment group will seek unity about the applicant’s suitability. Alternatively, if the concern arises from a general sense of unease rather than from a particular piece of information, a clearness process shall be convened by the assessment group, in the absence of the applicant, to help them achieve clearness about the cause of the concern. In this case, the assessment group may decide to speak with the applicant again before making a decision, but are not required to do so. Any decision reached as a result of either process is final and confidential. CSC may invite an applicant to apply again, usually after a certain period of time has passed or after the applicant has met some conditions that have been specified. Following any refusal to accept an applicant, the assessment group may discuss with an applicant other possible uses of the person’s skills and time in service to the Meeting. All documents and decisions concerning this process will be added to the individual’s confidential application file held by CSC.
F. Conduct of FMW Children’s Activities

1. No child will be left alone or with only one adult, other than their parent/guardian/custodian during an FMW Children’s Activity. All adults leading/coordinating FMW Children’s Activities must be ACGs.

2. No FMW Children’s Activity may begin or continue unless at least two (2) ACGs are present and at least two (2) children are present. During an FMW Children’s Activity with only two (2) ACGs present, if one (1) ACG must leave the Children’s Activity (e.g., for a bathroom break), the absence should be very brief. If the absence is expected to be more than a few minutes, the sole remaining ACG must terminate the FMW Children’s Activity and return the children to their parents, guardians or custodians. If this situation arises during FDS and the children’s parents, guardians or custodians cannot be reached, the remaining ACG must take the children to the Assembly Room, inform the Friendly Office Presence of the situation and request assistance.

3. All FMW Children’s Activities shall have a sign in/out sheet (see Appendix E) that the parent, guardian or custodian must sign when they drop-off and pick-up their child. Before and after this transfer of care, the child remains the responsibility of the parent, guardian or custodian.

4. One-time visitors to an FMW Children’s Activity need not be ACGs or YCGs, but the sponsoring committee must forward to CSC and obtain prior approval for that individual’s participation.

5. For FMW Children’s Activities taking place off-campus or overnight, a minimum of three (3) ACGs must be present, at least two (2) of the three (3) ACGs shall be unrelated by blood or by marriage, and every effort should be made that at least one (1) female and one (1) male are among the ACGs participating. This ensures that the requirement to always have at least two (2) ACGs present is met.

6. All ACGs and YCGs shall behave in a respectful, caring, nurturing and non-judgmental manner towards children. Any inappropriate, abusive or violent language or behavior (e.g., causing a safety concern) will result in suspension and possible revocation of the ACG’s or YCG’s ability to participate in FMW Children’s Activities (see section F7 below).

7. The CSC, after reaching unity, has the authority to immediately suspend any ACG, YCG, child or one-time participant that is suspected of alleged child abuse or neglect, causing a safety incident or who has engaged in unsafe behavior during an FMW Children’s Activity. The suspension shall prevent the person from participating in FMW Children’s Activities until an investigation is completed and it is determined that there is no basis for further concern. Any investigation of allegations will at a minimum be conducted by CSC with the Clerk of the Committee sponsoring the
Children’s Activity and should follow a process similar to that set forth herein. CSC will inform the individual of its decision and provide a reason for the suspension or dismissal of suspicion, and add this information to the person’s confidential file. CSC recognizes the importance of and shall respond in a timely manner.

8. All FMW Children’s Activities are always open to parents, guardians or custodians, the CSC, and members of the Committee sponsoring the activity, who are all welcome to visit at any time. Any classroom-based activity (e.g. FDS) will always have its doors open and never locked.

9. FDS activities and childcare are governed by DC St. 38-272.01 and 4-412, (Regulation No. 74-34 Child Development Facilities Regulation) that requires the following minimum adult to children ratios:

<table>
<thead>
<tr>
<th>Age Range</th>
<th>Ratio</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 yrs – 3 yrs of age</td>
<td>1:4</td>
</tr>
<tr>
<td>4 yrs – 8 yrs of age</td>
<td>1:8</td>
</tr>
<tr>
<td>9 yrs – 17 yrs of age</td>
<td>1:10</td>
</tr>
</tbody>
</table>

10. All participants in FMW Children’s Activities (e.g. FDS, field trips, day excursions, or overnight trips/camping) are required to have a completed and signed “Individual Consent, Emergency Contact, Hold Harmless and Photo Release Form” (see Appendix C). One (1) form per year is needed and the FMW Activity Coordinator shall collect and review these forms. If a parent, guardian or custodian will not be present at such FMW Children’s Activity then an event-specific “Individual Consent, Emergency Contact, Hold Harmless and Photo Release Form” (see Appendix C) must be completed and signed designating a custodian for their child during the activity. The designated custodian may not be responsible for more than four (4) children, if one or more of the children is not their own.

11. Youths (between 14-17 years of age) may care only for nursery-aged children and do not count as ACGs for the purpose of fulfilling the requirement to have at least (2) ACGs present during an FMW Children’s Activity. Of the two (2) ACGs who shall be present together with the YCG at an FMW Children’s Activity, one (1) of the ACGs shall be designated as the supervisor of the YCG for purposes of the FMW Children’s Activity.

12. Bathroom rules:

   a. During FDS: Children will use the nearest single-use bathroom to their classroom. These bathrooms will be labeled as such and are all single use bathrooms that can be locked.

   b. Members, attenders, visitors, and employees of FMW are requested to minimize their use of these single-use bathrooms when First Day School activities are ongoing (usually between 10:30 A.M. to 11:15 A.M. on Sundays). Multi-person bathrooms
(i.e., those on the ground floor of the Meeting House) should not be used by unescorted children.

c. During any off-campus FMW Children’s Activity, any bathroom usage by children should be done escorted by an ACG. Generally, this is best handled by bringing all children to use the bathroom at the same time. If this is not possible, an ACG may escort a minimum of two (2) children to the bathroom at the same time.

13. Any groups that include children visiting or staying at the FMW campus must complete a “Group Consent and Hold Harmless form” (see Appendix D) for their group.

14. Sponsoring Committees that propose an FMW Children’s Activity or state that childcare is offered for an event must specify the age range that can participate or for which childcare will be offered.

G. **How to respond to an incident of alleged child abuse, neglect or inappropriate behavior**

1. All individuals shall be open and receptive to all abuse/neglect claims regardless of who the alleged perpetrator is.

2. Protect the alleged victim and any other children by making them safe. Distance children from the alleged perpetrator.

3. Reassure the alleged victim with love, kindness, support, and do not challenge their response.

4. Notify the parent/guardian/custodian and return the child to them as soon as possible.

5. Inform the authorities (see Section H).

6. Obtain support and assistance for yourself.

H. **Procedure to make or handle a report of an incident of alleged child abuse, neglect or inappropriate behavior**

1. In reporting an alleged/suspected incident of child abuse, neglect, or inappropriate behavior, make a written record of the time, place, the persons involved, the general nature of the incident, and the exact words/actions/events/visual clues used. Do not conduct an investigation.

2. The laws governing reporting child abuse/neglect are described in DC St. 4-1301, which requires that any person aware of or suspecting an incident of child abuse or neglect report this to DC Child and Family Service Agency at (202) 671-SAFE (7233) or contact the police as soon as possible (See Appendix F).
3. In addition, FMW (see section H4 below) should be informed as soon as possible of any alleged or suspected child abuse, neglect or inappropriate behavior by any participant in an FMW Children’s Activity. This will allow FMW to take the necessary measures to evaluate and mitigate the situation, independent of any outside investigation and any individual’s statutory reporting responsibilities.

4. Informing FMW can be done in a number of ways: Notify a member of CSC or a member of the Committee sponsoring the event at which the alleged abuse occurred (e.g., REC for First Day School). In the absence of any of the above, a person should inform the Clerk of the Meeting or a Trustee. The person receiving the report will inform a member of CSC as soon as possible. Once notified, CSC will meet as soon as possible to review the situation (See F7).

5. CSC must inform FMW’s Insurance Company (See Appendix A for details of current carrier) within twenty-four (24) hours after the alleged incident was first reported to them.

6. Any person suspected of child abuse, neglect or inappropriate behavior is subject to suspension from all FMW Children’s Activities (see F7).

7. The CSC and any other members/attenders/employees of FMW should seek the advice of legal counsel before responding to media inquiries.

8. CSC should review this policy to be sure all procedures are being followed and work with FMW’s Insurance Company and legal counsel as needed concerning the alleged incident.
I. Safety of physical space at or during FMW Children’s Activities

1. The FMW Property Committee is the primary group that addresses building and grounds safety issues (e.g., repairs or changes in furniture in specific rooms, grounds, playground equipment).

2. The Property Committee should be immediately informed of any suspected safety concerns of physical property.

3. The FMW campus, like many places of worship, at certain times allows any person to enter and exit the property freely. Many times there are multiple entrances and exits from FMW that are not supervised in any way.

   For example during a typical Sunday Morning Meeting for Worship in May 2013, the campus could be accessed in the following ways:

   a. The front garden gates are open.

   b. The door between the assembly room and the back garden is normally open.

   c. The back garden, although seemingly closed, often has the following configuration: Gates towards the street (Decatur Place NW) are normally locked. Gates towards the front garden opposite side of the Decatur Place NW gates are open, or if locked many children can easily climb over them. Doors to Quaker House are usually open which in turn has open doors with street access to Decatur Place NW.

   d. The second floor of FMW building has multiple entries and exits.

   e. A number of rooms used for childcare and FDS have emergency exit doors that are normally closed from the outside.

4. Children may enter the kitchen only during an FMW Children’s Activity and under the supervision of ACGs.
